Ever faced a situation like this?

Client: *Well, I need to think about it. I will let you know soon.*

I know exactly how frustrating it will be to hear that after spending nearly an hour explaining to your client.

But don't worry.

I will share a few best
methods (word-by-word)
for you to give a final shot.

situation 1

Client : *Well, I need to think about it.*

You : *Sure, no problem but what part of it do you need to think about...?*

Client : *Well, I need to think about it.*

You : *Ok... is there any other reason why this wouldn't make sense for you?*

situation 3

Client : *Well, I need to think about it.*

You : *No problem, I get that. Btw, what questions or concerns do you still have that are unanswered?*

situation 4

Client : *Well, I need to think about it.*

You : *Let me quickly go over this with you one more time, because what you're going to get is ...*
