You know this very well.
Convincing someone
is not an easy task.

Recall back those memories.
Sigh...

In sales, it's **10x harder.**
But there is a simple solution.

Make them feel the result.
That's right!
Make them feel the result.

Here's a few sample words
to convince your clients.

BUT remember,
Be genuine, don't manipulate!

01. Talk about the speed of the result.

Example:

Imagine if you do this, you'll see the result in just...

02. Forecast The Future.

Example:

Think about in 5 years where you'll be...

03. Show the benefits.

Example:

By.....you'll be able to immerse yourself, you get rapid learning, you'll create powerful skills...
